VI. OLD BUSINESS –

A. Area 4 on Aging Focal Point Coordinating Council– Kate Miller reported that we received $790 to purchase a monitor and software for lobby at the Maidu Community Center. This One-Time-Money Grant we received from the Area 4 on Aging is to help guide the facility users to the correct meeting rooms for their program or activity. In addition, we also have plans to use monitor and software for advertising upcoming programs and events for all ages.

B. World Health Organization (Age Friendly Cities) – The Commission gave direction to Kate Miller to look into purchasing more information about the World Healthy Organization and Age Friendly Cities. Kate Miller indicated that she would purchase the additional information and send out to the Commission to review before next Commission Meeting.

VII. New Business –

A. Senior Commission versus Advisory Council – Kate Miller wanted to revisit the purpose of a Commission and maybe explore the idea of creating more of an Advisory group. Commissioner Kuehn shared concern that the Senior Commission is not always listed on the website and community Calendars like other Boards and Commissions. In addition, an outreach to the Community for more community attention on the City Senior services and offerings was discussed.

VIII. ORAL COMMUNICATIONS

Communication Efforts – It was mentioned that we seek other ways to advertise our programs and services. Press releases, assistance from Public Information Office, Sun City News, and variety of resources in Placer County were ideas mentioned.

IX. ADJOURNMENT

The next meeting of the Senior Citizen Commission will be held at the Maidu Community Center on Wednesday, November 9, 2011 at 2pm.

Respectfully submitted,

Kate Miller
Senior Parks & Recreation Supervisor
