	Total	**$ _____**	**$ _____**

I certify that the installation of energy efficient equipment and photovoltaic systems meet the Program eligibility requirements and that the information I have provided is true and correct. I further certify that no refund is being received, or applied for through any other incentive program, which would provide incentive for the same measures/equipment being used as criteria in qualifying for Roseville Electric's Residential New Construction Program. I understand that the refund payment is subject to an on-site verification of equipment and systems installation and operational integrity by an RE representative.
