Police Business Academy

Roseville Police Department

- Hiring Practices
- Crime Prevention
- Business Security
- Personal Safety
- Internal Theft
- Transient Issues
- Counterfeiting
- High-Tech Crimes
- After an arrest is made
- Hacker-proof passwords

These are some of the topics that will be discussed during this new program offered by the Police Department. Designed to educate members of the Roseville business community in Crime Prevention techniques, the process of crime reporting and encourage a productive exchange of information between businesses and the police.
