

NOTICE OF FUNDING AVAILABILITY (NOFA) FOR THE 2024/25 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) AND HOMELESS PREVENTION AND RAPID REHOUSING (HPRR) FUNDS; AND NOTICE OF PUBLIC MEETING FOR THE CDBG AND HPRR APPLICANT WORKSHOP AND PREPARATION OF THE 2024 ANNUAL ACTION PLAN

NOTICE IS HEREBY GIVEN that the City of Roseville is beginning its annual planning for the 2024/25 Community Development Block Grant (CDBG) Program Year. The City is also using this application process to award its 2024/25 Homeless Prevention and Rapid Rehousing (HPRR) funding. Every year, the City must submit an Annual Action Plan in order to receive CDBG program funding from the U.S. Department of Housing and Urban Development (HUD). The primary objective of CDBG is the development of viable urban communities through the provision of decent housing, a suitable living environment, and expanded economic opportunities for low and moderate income individuals/families and communities. The Annual Action Plan describes the City's housing and community needs for the upcoming year and the planned actions to address those needs. The City is providing an opportunity to discuss local needs and proposals, and will solicit proposals for programs and projects to implement the Annual Action Plan. The HPRR funding received is from the former redevelopment funding, along with Permanent Local Housing Allocation Funds, and must be used to address homeless prevention and rapid rehousing in Roseville and Rocklin.

NOTICE IS HEREBY GIVEN that the City of Roseville Housing Division will hold a virtual Community Needs Discussion and Applicant Workshop on: **January 10th, 2024, at 3:00pm.** This community discussion will solicit public comments on local priority needs that will guide the preparation of the City of Roseville's 2024 Annual Action Plan; the meeting will also discuss the 2024/25 application for CDBG and HPRR funding. The City anticipates receiving approximately \$700,000 in CDBG funding in 2024/25, with an estimated amount of \$560,000 available for program and project awards. The City has approximately \$619,000 in Homeless Prevention Rapid Rehousing (HPRR) funding available to be utilized in Roseville and Rocklin. In order to attend the workshop, please RSVP to Kristine Faelz at kpfaelz@roseville.ca.us for a link to the virtual meeting.
