Camp Staff

The City of Roseville Parks & Recreation Department sets high standards for all of our staff. We have carefully selected the **best of the best** to be part of Sparks this summer. When selecting our staff, we give high priority to applicants with the best ability to contribute to each child's positive camp experience. Our staff consists of college students and exceptionally skilled high school students.

All camp staff attends intensive trainings and orientations during spring and early summer to prepare them for camp. Trainings include how to effectively teach activities, how to facilitate group leadership, safety trainings and other important skills relating to working with children. Each staff member has current certification in Cardiopulmonary Resuscitation (CPR) and Standard First Aid.

In addition, per City requirements, all our staff members have been drug tested and fingerprinted. If at any time you have a concern about a leader and/or how camp is going, please feel free to call the program supervisor.

Camp Ratios

Sparks leader to camper ratio is 10:1, and field trip ratios are 8:1. Our leader/camper ratios ensure that activities can be modified for age-appropriate skill levels and also enhances team building and cooperation skills.

Lost & Found

- In order to prevent your child's belongings from getting buried in the depths of the Lost and "sometimes"-Found, please make sure you label all loose items that are brought to camp, i.e.: water bottles, towels, helmets, backpacks, sunscreen, etc.
- Lost and Found items will be kept for the week. At the conclusion of camp each week, the leaders will attempt to return items to their rightful owners, however all remaining items will be sent to Goodwill.
- We **do not** allow expensive items such as *iPods*, *iPads*, *hand-held video games*, *cell phones*, etc. at camp. The camp staff will not be responsible or liable for the loss of personal items.

Camper Conduct

- Sparks is designed to be an **active and creative** camp and participation is mandatory. Camp is more fun when campers fully participate in all the daily activities. We have planned for campers to participate in the majority of activities, and we do not have staff to watch those who choose not to participate in the group activities.
- All campers are expected to follow the rules of the camp. Camp staff reviews all rules thoroughly on the first day of each session and answers any questions campers may have.
- Positive reinforcement and redirection will be used whenever possible, although "time-outs" may be used occasionally if reinforcement and redirection fail to produce desired behavior.

Discipline Procedures

- Staff will use a direct, positive approach regarding discipline. The purpose is to help the child develop self-control and learn to assume responsibility for his/her actions. We use positive statements and reinforcements to redirect negative behavior.
- Staff will discipline each child as necessary and keep parents informed. We encourage parents to be proactive when signing out campers each day and to make time to communicate with staff on daily positives or negatives that occurred with their camper.

“Three Strikes” Policy

Campers can receive up to three (3) strikes in one week. The strikes and consequences are detailed below. We encourage parents to review with their camper.

Strike 1

- 1 minute of time out multiplied by the age of the child.
- Restriction from the activity that they were participating in when the offense occurred.
- Parents are notified at the end of the day .

Strike 2

- 2 minutes of time out x the age of the child.
- Restriction from the activity that they were participating in when the offense occurred.
- Staff calls and notifies parent .

Strike 3

- Parent may be called for immediate pick up from camp or trip site.
- Camper will be asked to leave camp for the remainder of the week.
- Future participation will need to be discussed before camper can return for future weeks.

Consecutive strikes for continuous weeks – Campers, who receive strikes each session, may be dismissed from camp for the remainder of the season. The safety of campers and staff cannot be jeopardized by one camper’s lack of respect for others and/or the lack of ability to follow camp rules on a consistent basis.

Sparks staff reserves the right to dismiss a participant if his/her behavior is detrimental to other campers. We will evaluate each situation on its own merit and keep open communication with parents and campers.

Behavior Incident Reports will be used to document inappropriate behavior. Staff will discuss these reports with the camper and his/her parent or guardian and give a copy of the report.

Illness

- If your child becomes ill or an injury occurs, parents will be called and need to pick up their camper within one hour.
- If sickness or an injury occurs during a field trip, staff will communicate with parents and determine the best method of accommodating the camper’s needs.

Sign In/Out

- All campers must be signed in and out of camp each day by a parent or legal guardian, unless a separate form has been completed indicating that the participant may sign themselves in or out at the end of the camp day. No camper may sign themselves out prior to the completion of a camp day-absolutely NO EXCEPTIONS. A parent may sign their child out from camp at any time throughout the day, as long as the campers are on-site.
- Campers will only be released to those individuals who have been authorized, in writing, by the child’s parent or legal guardian. Parents must indicate on the Emergency Form all those individuals who will be authorized to pick up campers. For your child’s protection, we will be unable to release a camper to an unauthorized individual.
- The only exception to the above mentioned procedure is when a camper has been authorized in writing (by a parent or legal guardian) to sign himself/herself in and out of camp each day.
- Please ask for a sign-in/out form the first day of camp.

If a parent chooses this option, the City cannot be responsible for the camper after he/she signs himself/herself into camp. Please ask for a sign-in/out form the first day of camp.

Medication/Sunscreen

- If your child needs to take medication while at camp, you must speak with the supervisor. Parent/Guardians must complete the needed medication form. The form requires a doctor’s signature and information. This is required for both prescription and over the counter medication. The form must be completed before any medication can be dispensed. All forms can be found at www.roseville.ca.us/camps on the day camps page.

- If you would like your child to use **sunscreen**, the child will need to bring his/her own labeled sunscreen and your written permission to have it applied to your child. *Please mark your container with your child's name.*

Lunches and Snacks

Sparks does not supply lunches or snacks. All campers are strongly encouraged to bring a snack daily. Campers are required to bring water bottles daily that are to be marked with the participant's name.

Field Trips

Each week campers embark on a field trip or special event. Please note that campers may only be signed in and out AT SITE. No camper may arrive or depart from the field trip location. If a camper misses the prescheduled drop off time, specified on the site calendar, they may not arrive at the field trip site. There will also be no refunds given for missed field trips.

Common Questions and Answers

What happens if it rains...or if it's hot?

We hold camps, rain or shine, hot or cold! Our staff is well prepared and will adapt activities to rain, sunshine, and extremely hot/cold temperatures.

What should my camper wear?

Sparks is an *active and creative* camp, so make sure your child is dressed appropriately.

- It is important that your camper is dressed to play!
- Closed-toe shoes are required, no sandals or heelys. NOTE: Any child wearing sandals or heelys will not be allowed to participate in games and will be asked to call his/her parent for appropriate footwear. However, your camper may bring sandals to change into on swim days and water days.

What if I'm late picking my child up?

The definition of a "*late pick-up*" is any child/children who have not been picked up from Sparks by the scheduled pick-up time on your camp calendar. Please be considerate of our staff by picking up your child *promptly* when camp ends each day.

- If an emergency arises that will cause you to be late in picking up your child, please contact camp staff *at least a half an hour prior to the end of the camp day.*
