Special Event Permit Applications or Banner Permit Applications requesting banner advertising on the Washington Boulevard Overpass will only be accepted for community special events which are not religious or political in nature. Private or invitation only events will not be considered for banner advertisement.

City special events and/or City partnership events have first priority. City special events and/or City partnership events are not restricted by the boundaries of the Historic District or Downtown Area stated herein.

Banners will only be considered for approval for special events that are scheduled to take place in the boundaries of Downtown Roseville, the Historic Old Town District and/or the Placer County Fairgrounds.

- ***Historic Old Town District:*** bordered by Washington Blvd., All America City Blvd., Lincoln St., and Pacific St.
- ***Downtown Area:*** bordered by Douglas Blvd., Vernon St., Lincoln St., Folsom Rd., and Park Dr.

APPLICATION FOR PERMIT

Banner Applications must be submitted at least 30 days prior to the date(s) being requested.

TIME LIMITATIONS

Banners shall be hung no sooner than 14 days and no later than 10 days prior to the start date of the event. Banners will be removed approximately 7 days following the end date of the event.

Organizations are responsible for the delivery of their banner to the City at least 3 days prior to installation and are responsible for prompt retrieval of the banner after it is removed. Organizations may recover their banner Monday- Friday, during business hours, at the Parks, Recreation & Libraries office at 311 Vernon

Street. In the event an organization fails to pick up their banner within 15 business days following the conclusion of their event, the City has the right to dispose of the banner without liability to the organization.

BANNER CONTENT AND LANGUAGE

The City Manager or his/ her designee, shall have sole authority to approve or deny banner requests, including design, content, location and installation dates. Completed banners that do not contain the same language as stated in the Special Event Permit Application will not be hung.

Any banner which constitutes a traffic hazard due to glare shall be prohibited or moved to a different location. No banner may use the words “stop”, “look”, “danger”, or any other word, phrase, symbol, or character in such a manner as to interfere with, mislead or confuse traffic.

Banners should be constructed of durable cloth or plastic materials which will easily withstand the natural elements. Paper, metal, wood or other solid materials which may be easily torn or separated from the banner or which could potentially cause damage to passing vehicles or pedestrians are prohibited.

Banners should be no larger than 14’ in length x 4’ in height.

Banners will be required to have a sewn in hem on both the top and the bottom of the banner to allow a 3/4” pole to be inserted for installation.

Not meeting these requirements will prevent the banner from being installed.

The sponsoring organization shall be responsible for the cost of the banner and all City costs related to installation. Banners must be installed and removed by City staff only. The City will provide all materials and equipment necessary to install the banner. Only one banner per event will be considered for approval and installation.

On the Special Event Permit Application or Banner Permit Application the applicant will rank by order of preference the locations on the Washington Boulevard Overpass where applicant is requesting a banner to be installed. The City will make every attempt to honor the applicant’s first request, however if the space selected is not available the City will move on to the applicant’s second requested location, etc.

DEFECTIVE BANNERS

Any defect in a banner which could cause possible injury, damage to property or a traffic hazard, will be removed by the City without prior notification or liability to the organization. Organizations shall be responsible for the cost to repair any damage to City owned or private property that results from the hanging or suspension of defective banners.

The City reserves the right to unilaterally amend or suspend this policy at any time and shall have the sole and final authority to interpret and apply this policy.

NOT A PUBLIC FORUM

In adopting this policy, it is the City’s declared intention and purpose to not permit banners that individually or in combination would cause the Washington Boulevard Overpass, or any real or personal property owned or controlled by the City of Roseville, to become a public forum for the dissemination, debate, and/or discussion of public issues.
