5. **Fan must move minimum of 2000 cubic feet of air per minute as stated by manufacturer.**
6. This program is for retrofit only. Funds cannot be used for new construction. Valid only for the installation of entire whole house fan.
7. All energy efficient equipment must be installed in a residential dwelling with central air conditioning and receiving electricity from Roseville Electric Utility.
8. Fan must be bought new. Previously used products do not qualify.

HOW TO APPLY:

1. Visit us at www.roseville.ca.us/rebates or call us at (916) 79-POWER before purchase or installation to verify current rebate amounts and information.
2. Submit documentation to Roseville Electric Utility Rebate Program, 2090 Hilltop Cir., Roseville, CA 95747 or fax to (916) 784-3797. Apply online at www.roseville.ca.us/rebates or email electronic copy to rosevilleelectric@roseville.ca.us.

Please do not include application with your utility bill payment.

TERMS & CONDITIONS:

1. By applying for this rebate you acknowledge that the rebate influenced your decision to install the energy efficient measure at your residence.
2. Customers may be eligible for additional rebates if there is a change in residence.
3. Rebates may not exceed the cost of the energy efficient equipment.
4. Roseville Electric Utility disclaims any and all liability, loss or damage that may arise as a result of the applicant's or contractor's participation in this program.
5. Roseville Electric Utility is not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
6. Roseville Electric Utility is not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from Roseville Electric Utility.
7. Roseville Electric Utility reserves the right to verify both the efficiency and installation of equipment.
8. Roseville Electric Utility may share my name, address, electricity usage or other needed information with a consultant for the purpose of on-site pre and post inspection.
