

PLANNING & REDEVELOPMENT STAFF REPORT DESIGN COMMITTEE MEETING April 19, 2007

Prepared by: Mike Isom, Senior Planner

ITEM IV-A: REPORT FROM PLANNER — APPOINTMENT OF DESIGN COMMITTEE REPRESENTATIVE TO THE COMMUNITY DESIGN VISIONING COMMITTEE

REQUEST

The Planning & Redevelopment Department requests that the Design Committee appoint a representative to serve on the newly created Community Design Visioning Committee (CDVC).

BACKGROUND

On April 4, 2007, the City Council approved the formation of a nine-member advisory committee charged with reviewing the City's existing design policies and guidelines and making recommendations for improvement in three focused areas: neighborhood shopping center, compact residential and multifamily housing design. The Council directed staff to solicit applications from the public and from design professionals for appointment to the committee. The Council also directed that a representative from the Planning Commission and Design Committee be designated to serve on the committee. The Planning Commission will select a representative at its April 26th meeting. Further background information is provided in the City Council staff report (Attachment 1)

ENVIRONMENTAL REVIEW

Not required.

RECOMMENDATION

Staff recommends that the Design Committee appoint a representative to serve on the Community Design Visioning Committee
