

Viewing and Copying of Commercial Plan Procedures

Viewing and Copying of Commercial Plans

- A request to view commercial plans can be made at the Permit Center. An appointment will then be set to view the plans with permit center staff.
- Anyone wishing a copy of plans may make their request in writing to the Building Division.
- Any copying of plans requires a signed affidavit provided by the Building Division.
- The Building Division will only accept wet signatures. Faxed copies will not be accepted.

Plan Copying Requirements

- Health & Safety Code Section 19851 states:

Existing law specifies that the copy of the plans be open to inspection only on the premises of the building department as a public record, and prohibits duplication in whole or part of the copy except with written permission of the certified, licensed, or registered professional or successor, if any, who signed the original documents and written permission of the owner of the building or an order of the proper court.
