## Post-Holiday E-Waste Drop-Off Event

January 4, 2014 | 10am - 2pm at the Roseville Utility Exploration Center

## **Too Valuable to Just Toss Away!**

Have the holidays left you with a bunch of unwanted electronics? Bring your e-waste to the Utility Exploration Center and **recycle it for free** — you don't even need to get out of your car! Drive up to the Center and let us do the rest.

E-waste dropped off at the Exploration Center is recycled by SIMS Recycling Solutions, an international recycling company with a sorting and shredding facility in Roseville, and provides funding support for our IDEAscape project.
