Memorandum of Understanding

Between the

City of Roseville

And

International Union of Operating Engineers, Local 39

Clarification on Registration Pay

The City of Roseville is adding an Associate Engineer (PE) classification that will require registration as a Professional Engineer. The Associate Engineer (PE) salary is set at 5% more than the Associate Engineer to include the certificate pay as part of base salary.

The Parties mutually agree to revise Chapter 2, Article I, Salaries as follows:

REGISTRATION PAY

A five percent (5%) differential will be paid to employees in engineering classifications who possess a California Professional Engineer Certificate (PE) where it is not a requirement of the classification.
