

**SIDE LETTER AGREEMENT #5
BETWEEN THE
ROSEVILLE POLICE ASSOCIATION AND
THE CITY OF ROSEVILLE
RELATED TO THE MODIFICATION OF THE FLEX PLAN CREDIT**

The City of Roseville (hereinafter referred to as "City") and the Roseville Police Association (hereinafter referred to as "RPA") entered into a Memorandum of Understanding ("MOU") with a term beginning on January 1, 2019 and terminating on December 31, 2021. The City and the RPA are collectively referred to herein as the "Parties."

Background and Overview

The Parties entered into a Side Letter Agreement ("SLA") in September 2019, concerning modification of the Flex Credit. That SLA relates to a modification to the City's provision of a flex credit amount for employees who elect a medical plan. The City and the union agreed to discontinue its practice of providing the same flex credit amount irrespective of whether the employee chooses an employee only medical plan, employee + 1 medical plan, or an employee + family medical plan and instituting a tiered plan whereby the flex credit amount is greater for those electing family medical coverage as described below.

In addition, this proposed SLA addresses the intent of the Flex Credit increase to be effective with the new rate changes for 2021.

The specific provisions contained in this Agreement are intended to supersede any previous agreements, whether oral or written, regarding the matters contained in this Agreement.

The Parties have satisfied their obligations to meet and confer in good faith in accordance with the Meyers-Milias-Brown Act ("MMBA").

Except as provided here, all wages, hours, and other terms and conditions of employment presently in the City's MOU and SLAs with the RPA remain in full force and effect.

A. The Parties mutually agree to replace Chapter 4, Article III, Section C., Cafeteria Plan, to read as follows:

C. Cafeteria Plan

1. The City agrees to maintain a Cafeteria Plan, pursuant to Section 125 of the Internal Revenue Code or any related regulations, for the purpose of providing employees with access to various health and welfare benefits. Benefits available through the Cafeteria Plan include medical insurance, dental insurance, and vision insurance.
2. Effective December 1, 2018, the City agrees to provide a Cafeteria Plan Allowance to all employees eligible to participate in City sponsored health and welfare benefits under Section A of this Article of up to \$1,347 per month (less the direct PEMHCA payment provided in paragraph B).

The City currently provides a flex credit of \$198.00 per month to be used by active employees for any benefit covered under the Cafeteria Plan. Effective January 1, 2021, the City will increase the flex credit to \$228. Effective December 31, 2021, the City will increase the flex credit to \$258, starting the first pay period for the next plan year, unless a different benefit is negotiated in a successor MOU.

3. Employees who elect not to participate in any of the medical, dental, and vision insurance benefits sponsored by the City and who provide proof of other medical coverage will not receive any Cafeteria Plan Allowance under Section C(2) or Flex Credit under Section C(3) of this Article. Instead, employees who opt out of these City sponsored benefits will receive \$150 per month.
4. Effective January 1, 2021, for active employees electing family medical coverage, the City agrees to provide an additional amount towards flex credit of up to \$100 per month, which is in addition to the \$90 per month increase agreed upon by the September 2019 SLA, for a total of \$190 per month additional flex credit to be used for the payment of medical insurance by active employees who elect family medical coverage.
5. Any Cafeteria Plan Allowance provided for under Section C(2) of this Article can only be used by an employee to offset the cost of participation in City sponsored medical, dental, and vision insurance benefits for the employee and any eligible dependents.

The City reserves the right to select the provider or self-administer this program to set limits for medical reimbursement accounts.

- B. The additional flex credit contribution for family medical coverage as described in Chapter 4, Article III, Section (C) (4) will be considered part of the City cafeteria plan contribution amount included in total compensation.

THESE ARE TENTATIVE TERMS SUBJECT TO APPROVAL OF THE CITY COUNCIL.
