

STAY INVOLVED!

Key Opportunities for Public Input

Spring 2018

April - June

Community Open House
April 9
Cirby Elementary School

Please be sure to fill out your questionnaire and leave it with a project team member.

Thank you for being here tonight and getting involved!

We are here!

Pop-up Workshop
Placer County Earth Day Celebration,
Saturday, April 21st,
10 - 3, Royer Park

Visit our booth to learn about the trail concept and to offer suggestions, comments and ideas!

Virtual Community Workshop

An on-line opportunity for you to provide input on trail opportunities and constraints and comment on trail segments.

Summer 2018

July - September

Community Workshop #1

The Project Team will present recommendations for the trail location.

Join us to offer your ideas and suggestions to be considered by the project team to determine the best location for a trail within the study corridor.

Fall 2018

October - November

Pop-up Workshop
Sign-up with your email for future event dates!

Community Workshop #2

The recommended trail location will be presented at this workshop.

The recommended location will be a result of technical analysis and your feedback throughout the process.

DRY CREEK GREENWAY **WEST** MULTI-USE TRAIL PLANNING & FEASIBILITY STUDY
