HOW TO APPLY:

- Visit us at www.roseville.ca.us/rebates for current rebates and program requirements.
- Submit documentation to Roseville Electric
Mail: 2090 Hilltop Circle, Roseville, CA 95747
Email: rosevilleelectric@roseville.ca.us

PROGRAM REQUIREMENTS:

- Contact the City of Roseville's building department (916-774-5332) for permit requirements.
- Applications must be postmarked no later than 90 days after purchase/lease of new electric vehicles and network enabled level 2 charger.
- This program has a limited budget. Applications will be accepted on a first come, first served basis, until funds are depleted.
- The qualified charger must be installed at and the current vehicle registration must be at a residential dwelling unit receiving electricity from Roseville Electric Utility, with a current electric service account. The customer account information must match the DMV vehicle registration information.
- A qualifying Network Enabled Charger is a unit that is enabled to transmit usage data and participate in a potential demand response program managed by Roseville Electric Utility. The customer must demonstrate this prior to receipt of any rebate.
- The electric vehicle/motorcycle listed in this application must be DOT-approved for highway application. Golf carts, neighborhood carts, and electric scooters are not qualifying vehicles under this program.
- Incomplete applications will be rejected. Applications must include all required documents.

TERMS & CONDITIONS:

- Rebates may not exceed the cost of the purchase.
- Roseville Electric Utility disclaims any and all liability, loss, or damage that may arise as a result of the applicant's or contractor's participation in this program.
- Roseville Electric Utility is not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
- Roseville Electric Utility is not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from Roseville Electric Utility.
- Roseville Electric Utility reserves the right to verify both the efficiency and installation of equipment.
- Roseville Electric Utility may share my name, address, electricity usage or other needed information with a consultant for the purpose of on-site pre and post inspection
- By providing your information through the rebate process you allow Roseville Electric Utility or a third party vendor to conduct research and analysis about electric vehicle use and user preference.

For more information, call Roseville Electric Utility at (916) 79-POWER (797-6937) www.roseville.ca.us/rebates
