## PROGRAM REQUIREMENTS:

- One rebate per whole system replaced.
- This program has a limited budget. Applications will be accepted on a first come, first served basis, until funds are depleted.
- Applications must be postmarked no later than 90 days from system installation date.
- This program is for retrofit only. Funds cannot be used for new construction. Valid only for the replacement of entire AC unit.
- All energy efficient equipment must be installed at a single-family residence receiving electricity from Roseville Electric Utility and must be purchased new at retail price. Products that have been resold, rebuilt, rented, leased, exchanged, won as a prize or have had new parts installed into existing products are not eligible for rebate.
- Both the inside and outside coils on a split system must be changed and must match to verify efficiency.
- Smart Thermostat must be Wi-Fi enabled.
- Smart Thermostat must be **ENERGY STAR®** certified.

## TERMS & CONDITIONS:

- By applying for this rebate you acknowledge that the rebate influenced your decision to install the energy efficient measure at your residence.
- Customers may be eligible for additional rebates if there is a change in residence.
- Rebates may not exceed the cost of the energy efficient equipment.
- Roseville Electric Utility disclaims any and all liability, loss or damage that may arise as a result of the applicant's or contractor's participation in this program.
- Roseville Electric Utility is not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
- Roseville Electric Utility is not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from Roseville Electric Utility.
- Roseville Electric Utility reserves the right to verify both the efficiency and installation of equipment.
- Roseville Electric Utility may share my name, address, electricity usage or other needed information with a consultant for the purpose of on-site pre and post inspection.
