VERNON STREET TOWN SQUARE
THANKSGIVING DAY

Benefiting recreation programs for at risk youth

roseville.ca.us/events
Hello everyone-

I know that it isn’t typical to see a letter from the Director in our Recreation Guide, but not much is typical these days and I wanted to take a moment to talk about that. Let me start by introducing myself.

I’m Jill Geller and I’ve been the Parks, Recreation & Libraries Director since October 2019. I moved here with my family following a 36 year career in Johnson County Park and Recreation District which is located outside of Kansas City. To say that my first year in Roseville is different than I expected would be an underestimate. I never would have imagined a pandemic coming along which not only impacted each of our personal lives dramatically but changed the way we provided our services to the community on a daily basis (sometimes even hourly).

I know there are a range of opinions on the decisions that we have made regarding services and amenities, especially those related to closing playgrounds and limiting use of sports fields. While these decisions aren’t always popular, we have done our best to follow the guidance of the public health officials, keeping the community safety as our top priority.

While COVID-19 has negatively impacted many of our services, we have learned much from it. We instituted health plans for the operation of all of our facilities and programs. We increased eBooks offerings at the libraries and developed a sidewalk pickup service. We added virtual recreation programs (both free and fee based) and are looking to expand these program offerings due to their popularity. We created Recreation To Go which is a variety of monthly recreation kits providing all the supplies for themed arts/craft and games. We are even adding a kit with preschool curriculum since we can’t do preschool in person. Our swim lesson program has been redesigned to better incorporate physical distancing and I’m hearing rave reviews from parents on these changes. As a community we have reaffirmed our love for the outdoors resulting in increased use of parks and trails. I know this is a letter to the community, but I would be remiss if I didn’t acknowledge the Parks, Recreation & Libraries staff who quickly adapted and found new ways to provide services while continuing to maintain our parks, trails and open spaces.

While this pandemic has been challenging, I’m excited about what it has taught me about Roseville as I approach my first full year. Roseville is welcoming. Roseville is strong. Roseville is dynamic. Roseville is resilient. Roseville will keep moving forward together because…WE ARE ROSEVILLE.

Thank you for your support of Parks, Recreation & Libraries,

Jill Geller

Kidz Love Soccer

Since 1979, Kidz Love Soccer has been dedicated to teaching children the world’s most popular sport within a nurturing, recreational environment. A typical session experience includes these age-appropriate activities: skill demonstrations, fun games, and instructional scrimmages. Young soccer enthusiasts experience soccer fun in a safe, non-competitive environment. All participants receive a "Kidz Love Soccer" jersey. Shin guards are required after the first class. KLS class status hotline (888) 372-5803. No class: 10/31, 12/19, 12/26.

Pre–Soccer
Ages: 4–5
Teaches the basic techniques of the game and builds self-esteem through participation and fun soccer activities. Learn to follow instructions in a nurturing, age appropriate environment.

Soccer 1
Ages: 5–6
Learn dribbling, passing, receiving, shooting and age-specific defense. Fun skill games are played at every session and everyone has a ball at his or her feet. Small-sided soccer matches are introduced gradually.

Soccer 2
Ages: 7–10
Enjoy advanced skill building: dribbling, passing and shooting in a team format. Play games to build individual skills and small-sided scrimmages that emphasize finer technical points. The perfect bridge from Soccer 1 for those who are aspiring to the next level. All levels of skill are welcome to learn and enjoy the world’s most popular sport.
