

Special Event Permit Application

Please take time to review the special events permit application and instructions **before** you begin completing the application form.

The City of Roseville is proud to have its residents and visitors host a variety of special events in order to enhance the lives of the community and contribute to the economic vitality of the City. The following pages include the City of Roseville’s Special Events Permit Application and instructions to help guide you through the permit process.

PLEASE ALLOW A MINIMUM OF 60 DAYS FOR THE PROCESSING OF THE SPECIAL EVENT PERMIT APPLICATION.

INSTRUCTIONS

Completed Special Event Permit Applications must be received no later than 60 days prior to the event start date and may be submitted as early as twelve months prior to the event start date.

PERMIT APPLICATION PROCESS

Once you have fully completed and submitted the Special Event Permit Application and paid the non-refundable application fee and refundable deposit, the special events coordinator will review the application and distribute it to all affected city departments and any applicable third party organizations for comment. This takes approximately 2 weeks.

*Note: Do not assume that all aspects of the event will be approved; you may be asked to make some changes to your event based on the availability of services or other circumstances. Therefore, **you are encouraged not to advertise your event until approval from the city has been received.**

Throughout the Permit Application Process you will be notified if your event requires any additional information, clarifications, permits, etc. Delays in providing the requested items could delay the ability to complete the Permit Application Process and approve a permit in a timely manner thus resulting in denial of the application.

If street closures are requested, the city will provide you an approximate quote for the costs of the closure. Once the applicant has approved the approximate quote, a Street Closure Agreement is drafted. The Agreement will be sent to the applicant for signature. Two original hard copies are required to be returned ***no later than 5 days from receipt of agreements.***

Once the applicant has submitted the proper insurance, two original copies of the Street Closure Agreement and all required permits, the Agreement goes before the City Council for approval. The process takes approximately 3-4 weeks, from submittal to approval.

CANCELLATION POLICY

Should you, for any reason, need to cancel your event, you must first notify the special events coordinator. Written notice of cancellation must be received no later than 5 calendar days prior to the event start date. The Special Event Permit Application fee is non-refundable and non-transferable. It is also possible that fees related to other City services (i.e. Streets, Police, Fire, etc.) will still be incurred.
