

# UTILITY BINGO GAME

## UTILITY BINGO

Took a 5 minute shower	Unplugged electronics not in use	Visited Utility Exploration Center website <a href="http://roseville.ca.us/explore">roseville.ca.us/explore</a>	Reused an item instead of throwing it out	Turned off sprinklers during rain
Picked up pet waste from your yard so doesn't end up in storm drain	Virtually visited friends or family	Scraped grease from pan into trash instead of sink	Turned off water while brushing teeth	Counted the number of street lights on your street
Made a craft out of recycled paper	Ran washing machine with a full load	<b>FREE SPACE</b>	Learned Utility Exploration Center is abbreviated UEC	Made a list of why trees are important
Searched for water leaks by toilets, sinks, showers and bathtubs	Drew a picture of the earth	Followed UEC on Facebook @Roseville Exploration Center	Emailed a question about utilities to <a href="mailto:ruec@roseville.ca.us">ruec@roseville.ca.us</a>	Found closest storm drain to see "flows to creeks" sign
Saved cans or bottles for recycling	Turned off lights in a room that no one was in	Named 5 types of pollinators	Created a picture using old magazines or newspapers	Told someone only three Ps (pee, poo, toilet paper) go in toilet

## UTILITY BINGO

Wrote a happy message sign and hung in window	Unplugged electronics not in use	Counted the number of street lights on your street	Emailed your teacher to say "hi"	Built a utility plant out of pillows and blankets
Took a 5 minute shower	Told someone only three Ps (pee, poo, toilet paper) go in toilet	Made a battery box to store used batteries	Looked up a picture of a vactor truck and drew it	Picked up pet waste from your yard so doesn't end up in storm drain
Saved cans or bottles for recycling	Drew a picture of a creek with animals and fish	<b>FREE SPACE</b>	Made a list of why trees are important	Searched for water leaks by toilets, sinks, showers and bathtubs
Turned off lights in a room that no one was in	Made an art project out of old toilet paper rolls	Visited Utility Exploration Center website <a href="http://roseville.ca.us/explore">roseville.ca.us/explore</a>	Found closest storm drain to see "flows to creeks" sign	Learned Fats, Oils, Grease (FOG) don't belong down the drain
Named 5 types of pollinators	Turned off water while brushing teeth	Made up a knock knock joke about garbage	Created a picture using old magazines or newspapers	Emailed a question about utilities to <a href="mailto:ruec@roseville.ca.us">ruec@roseville.ca.us</a>
