You Can Make a Difference...

Sponsored by the Roseville Chamber of Commerce, the **LEADERSHIP ROSEVILLE PROGRAM** is designed to “educate and develop effective community leaders who will help create a spirit of cooperation for the resolution of future community challenges.”

The program is designed to meet these challenges by providing a vehicle to:

- Educate future leaders about the diversity of organizations that make up our community.
- Encourage informed individuals to serve the community in leadership roles of their choice.
- Enhance community leadership and management skills.

Leadership Roseville Class of 2013-2014

Through a coalition of community participants we hope to identify and stimulate future leaders and through a structured program, provide a broad-based overview of how business and government affect our community.

The Leadership Program...

Once a month, from September through May, participants attend a half-day session in which important community issues are reviewed and discussed. The format for each session includes a combination of lectures, panel discussions, hands-on activities and on site visits to locales relevant to the day’s focus. The monthly sessions will be hosted by various local businesses, organizations, and agencies. Sessions will run from 7:30 a.m. until 2:00 p.m. A continental breakfast and lunch will be provided.

During each session, decision makers and experts on the topics addressed are invited to share their insight and views.

An evening graduation is held the third Thursday of June.

The Selection Process...

Candidacy for **LEADERSHIP ROSEVILLE** is open to individuals who seek to contribute their skills, knowledge and expertise to benefit Roseville and Placer County. Class size is limited. Enrollment in the program is not transferable.
