

## FREE Catalytic Converter Etching

The Roseville Police Department is partnering with local businesses to offer FREE etching and painting of your catalytic converter.

- 3 Reasons to etch your catalytic converter:
  - 1. Catalytic converter thefts are on the rise.
  - 2. Studies have shown that if an item is traceable / identifiable it is less-likely to be stolen.
  - 3. The average cost to replace a catalytic converter is \$1500

Call the following participating businesses to schedule an appointment for them to etch your license plate on your catalytic converter and cover it with neon high-heat paint.
